ACC Meeting 10/27/11

Meeting was held at 5 PM at 1065 Gator Trail

Agenda 1, Driveway paint approval for David McElroy. 2.

Concrete walkway on right of way where golfers cross by the front gate.

Item 1 was discussed but postponed since it was made known that any new paint colors could only be approved once a year each January.

Item 2, Board should obtain bids for replacement sidewalk. Who pays? Golf club? I will try to get bid for Nov 16th meeting. Code requirements are the same as concrete aprons on residential homes. I believe that work could be done in 1 day.

Attendees Rick Marciniak, Pat Miclean, Bill Benson, Wayne Meisenzahl. Quorum was met.

Thank You
